WEDDING ENHANCEMENTS

Decorations & Signage

All decorations are the responsibility of the Bride & Groom. Confetti of any kind may not be thrown on the premises, however our pristine National Park environment is well suited to bubbles & flower petal options. Due to the Location in Cape Breton National Park, fireworks lanterns are prohibited without prior park approval and no open flame candles and the burning of sparklers are permitted indoors. An appropriate time for decorating may be coordinated with our Wedding Coordinators. Depending on the location of your ceremony or reception and the resort's occupancy at the time, we typically like to set up 3 hours prior to the ceremony, and in the morning of the reception. However, if the venue is not in use the day before the event, we may start your setup and provide access to the room earlier. Your Wedding Coordinator will be able to advise availability a couple of weeks prior to your date. All decorations & signage are subject to approval of the management of *Keltic Lodge at the Highlands*.

LIVE NIGHTLY ENTERTAINMENT

Invite your guests for a pre-ceremony gathering in our Highland Sitting Room. We have our finger on the pulse of entertainment available in Cape Breton. Music is a corner stone of the Island and we can assist with music options for the ceremony and dinner. Options include vocalists, pianists, guitarists, bagpipers, fiddlers, DJ services and live bands.

All musical entertainment is subject to SOCAN (Society of Composers, Authors & Music Publishers of Canada) charges. SOCAN charges are based on room capacity authorized under the Hotel's Liquor License on behalf of SOCAN, Keltic Lodge is obligated to charge an entertainment fee when booking and payment is arranged through us, which is between \$30.00-\$60.00. This fee is submitted directly to SOCAN and is non-negotiable and not a hotel fee. Keltic Lodge at the Highlands is obligated by law (as of July 2012) to charge an additional fee over and above the SOCAN fee noted above. Re: Sound represents the rights of artists and record companies (the people who created sound recordings) while SOCAN (Society of Composers, Authors and Music Publishers of Canada) does the same for composers and music publishers (the people who created the compositions that are embedded in those sound recordings).

SPA AT KELTIC

Our full service spa can accommodate a wedding party of any size. Our spa's delectable treatments and nurturing staff serve as wonderful gifts to surprise loved ones with. We offer an on-site makeup artist, professional hair stylists, estheticians, and massage therapists.

Services range from pedicures and manicures to body wraps, facials and massages, hair and makeup. Facilities include indoor and outdoor hot tubs, saunas, steam showers and private lockers.

GUIDELINES REGARDING FOOD & BEVERAGE SERVICE

As your event will be held in a private function venue, one menu for the entire group must be selected for the event. Additional choices will be discussed with our chef and may be available at an additional charge. However, should any guest require a special menu or have allergies we would be more than happy to create a specific menu at no additional cost, provided advance notice is given. If you would like to provide your guests with a choice of entrée, we ask that you add the options to your invitations for guests to reply with their choice of meal. A final number of each selection then needs to be relayed to our Wedding Coordinators with your final numbers.

We ask that you indicate on your place cards if a guest is having a special meal (vegetarian, gluten free, dairy free) and their selection of entrée if a choice has been offered to your guests. To maintain our exacting standards for Health and Safety, *Keltic Lodge at the Highlands* will be the sole supplier of food and beverage items, with the exception of wedding cakes. The customer is to identify and hold harmless *Keltic Lodge at the Highlands*, their employees and agents against any damages and all suits caused by own, or by independent contractors on their behalf, including supplied materials and food and beverage for use of consumption by guests.

All prices are subject to change without notice; however, Keltic Lodge will guarantee prices 60 days prior to the event. All food and beverage prices are subject to a 16% service charge and applicable taxes that are currently 15%.

Menus and wine selections must be confirmed 30 days prior to your wedding day, along with an estimate of guests attending and any dietary requirements. The Conference Services Department must be notified of the guaranteed number of guests attending the function(s) 7 days prior to the event date (excluding weekends and holidays). This guaranteed number will be the minimum number to be charged. Should guaranteed numbers not be received, the hotel reserves the right to charge for the original numbers quoted.

photos provided by Chantal Routhier // chantalrouthierphotography.com

Should the number of guests attending the function differ greatly from the original contracted number, the hotel reserves the right to provide an alternate room best suited for the group's size. Last call for bar service in the function rooms is 12:45AM with all entertainment and bar service ending at 1:00AM and the function room vacant by 1:30AM.

To ensure that all requirements are as agreed upon, we ask that a signed copy of the Banquet Event Orders be returned, signed to the Conference Services Office at least 14 days prior to the event.

The use of confetti, sparkles or glitter is prohibited due to our Park location; however we recommend bubbles or fresh flower petals to add to the festivities.
